

EARLY LEARNING PROJECT

This sheet is designed to help you carry out your puppy's socialisation and training. The wider your pup's experience, the better he will be equipped to cope with whatever the world throws at him - so do tick all the boxes. And if you really want to do a fab job, tick them many times!

Tick a box every time you succeed at one of the tasks and bring the form back before the last week of your course so that we can mark your puppy's success on his Course Certificate. More than 19 ticked boxes will give your pup a Distinction, more than 16 Credit, more than 10 Pass.
